Financial Policy

We do require payment of any uncovered portion, such as Deductibles, Co-payment, Or Co-Insurance to be paid at the time of Service

To All Anthem Blue Cross Covered CA patients, our office is not in-network with this plan. Patients are responsible to contact their plans for clarification of benefits prior to services being rendered.

As our patient, you are responsible for all the authorizations/referrals needed to seek treatment in this office.

Your insurance policy is a contract between you and your insurance company. As a courtesy, we will file your insurance claim for you if you assign the benefits to the doctor. In other words, you agree to have your insurance company pay the doctor directly. If your insurance company does not pay the practice within a reasonable period, we will have to look to you for payment.

We have made prior arrangements with certain insurers and other health plans to accept an assignment of benefits. We will bill those plans with which we have an agreement and will only require you to pay the co-pay/co-insurance/deductible at the time of service.

All health plans are not the same and do not cover the same services. In the event your health plan determines a service to be "not covered" or you do not have an authorization, you will be responsible for charges for any service rendered. Patients are encouraged to contact their plans for clarification of benefits prior to services being rendered.

For most elective surgical procedures (office, our-patient hospital and ambulatory surgical center) we will require you to pay only co-pay/co-insurance/deductible prior to surgery. We will bill your health plan and any additional balance due is your responsibility.

Past due accounts are subject to collection proceedings. All costs incurred, including, but not limited to collection fees, attorney fee, and court fees shall be your responsibility in addition to the balance due this office.

There is a service fee for all returned checks. Your insurance company does not cover this fee.

There are fees associated with copying medical records and x-ray films. You will be informed of current charges at the time of such request. Your insurance company does not cover this fee.

There are fees for any documents that are required to be completed by our office (State disability forms, Insurance forms, etc..).

If an appointment is cancelled with less than 24hr notice to our office, or if a scheduled appointment is missed/forgotten, there will be a fee of $50.00, or the equivalent of your office co-pay. This fee will only be waived in case of an emergency or illness.
